Re: Thanks

Dear Sir,

we, members of the committee of the Youth of Tapion, greets you and take the opportunity to thank you for the grand realization for the "Road" for Tapion, Cape-destre and Bois-Ged.

By the strength of our being, we thank you once more and encourage to continue on this same positive impetus with the activities which you have already undertake for the neighboring zones.

Thank you again, that God blesses you largely.
