

# The Haitian Help Program

*More than half of the people who live in Haiti live on less than \$1.00 dollar a day. Despite living in the poorest nation in the Western Hemisphere, the people of Haiti have a tremendous spirit of endurance, dignity, and hope.*

**The Haitian Help Program**, a coalition of local churches and individuals who work tirelessly to send clothing, shoes, and monetary funds to allow Haitian families to have food, sustainable access to clean drinking water, and access to education, has been established to address the problems that arise from the ravages of poverty in Haiti. Under the leadership of Mr. Jean S. Joseph, a native of Haiti, the Haitian Help Program is assisting children in the Petit Goave Township, a newly constructed primary school.

**The Haitian Help Program** is passionate about what we do. It is our vision that Haitian children will receive primary and secondary education, healthy meals, and proper medical care, in order to become productive adults, and ultimately acquire skills to earn a living.

**The Haitian Help Program** is seeking donations to provide funding for food, clothing, shoes, and school supplies to every child in the school and we need your help to raise the funds necessary to fulfill this mission.

**Please assist us in our efforts as we continue to grow and expand our work.**
